

Greetings Fellow Windmillers,

January 29, 2009

Hope this letter finds you all well and in good new year spirits. Enclosed please find the information and registration form for the 2009 El Dorado, Kansas Trade Fair. We did our part in reducing the price of gas, which was a concern for a lot of you last summer. Ha-ha. Hopefully you all still have a job or retirement funds to purchase the cheaper gas. It just goes to show you what we worry about today will be replaced by something else tomorrow. So put your cares away and head for El Dorado in June.

Please look over the schedule and the featured events in the brochure. We are excited this year to have a First Nighters Buffet on Tuesday evening June 2<sup>nd</sup> at The Best Western Hotel and Double D's Restaurant from 6:30 until 8:00. This will be a great time to meet and visit with anyone arriving early. The free buffet is sponsored by The Aermotor Company of San Angelo, Texas.

Darla Stewart from the El Dorado CVB has planned some great activities for the ladies. Of course all Trade Fairs need to see the iron, so windmillers bring it on. We have plenty of shaded space and some covered space for iron and wood that needs to be protected. There is also air conditioned vendor space with lots of room and the local Cassoday 4 H Club will provide concessions.

Your cost of registration includes space for your items if needed, the ice cream social at the museum with entrance to the exhibits, dinner and entertainment at the Harper Farm, and the closing Trade Fair Banquet. We do hope those of you with special windmill items like salesmen samples, literature, etc will bring them along and share.

Being close to Wichita, we anticipate there might be a large number of people interested in looking and, hopefully buying, the unique Americana items. Vendors are being asked to keep their booths to 80% windmill items.

To help complete the planning, please send in your registration and payment as soon as possible. If you wish to be taken off of our mailing or if you have special needs please let us know.

If you have questions or need further information, please don't hesitate to contact us. We anxiously look forward to seeing all of you and wish you Gods blessing in your travel to Kansas.

Sincerely,

Chuck & Joyce Jones
